Images from the Performance

Concert event hosted by Ki Smith Gallery with two solo sets featuring renowned avant-garde jazz musicians Sha and Tim Berne (image on top left). Sha is an artist in residency at Residency Unlimited (RU).

About Sha and Tim Berne

Born in Bern/Switzerland, **Sha** is a multi-reedist and composer who lives where the music takes him. Since 2004 he has played worldwide tours with Nik Bärtsch's Ronin, Nik Bärtsch's Mobile, The Legendary Lightness and Piet Klocke. He has been composing for his own groups Sha's Banryu and Sha's Feckel and collaborated with dance and theater projects at Opernhaus Zürich, Gessneralle and VorOrt. In 2021 he released his first solo record Monbijou, recorded in the vast hollow interior of the box girder bridge Monbijou in Bern. [Click here to read Sha's full bio.](#)

Tim Berne is a long time leader of New York avant garde jazz and creative improvisation. Alto saxophonist, composer, bandleader, and label boss, Berne has a strong and singular musical personality that links his diverse and frequently absorbing works in an astonishing variety of styles, and almost always juxtaposes meticulously noted arrangements with free improvisation.
