

Dear Friends and Supporters of Residency Unlimited,

As the end of 2022 fast approaches, we hope that you will consider making a **contribution** to Residency Unlimited (RU). Our goal is to raise \$30,000. Your gift will allow us to continue to provide more than 60 artists and curators a year with a flexible and versatile residency program that helps them to advance their practices and careers. In 2022, we hosted residencies for **57 artists and 12 curators** from all over the world, and organized **19 exhibitions and 31 public programs** highlighting their artistic practices. We also organized **560 studio visits** enabling artists to receive critical feedback from a wide range of art professionals.

In 2023 we will renew our commitment for residencies dedicated to PoC artists with new iterations of the **NYC-Based Artist Residency Program** and the **Voices of Multiplicity (VoM) Artist Residency Program** to serve gap communities lacking in creative resources to develop collaborative art projects centered on cultural identity and mentorship. We are honored to continue our collaboration with the Arts in Medicine department at NYC Health + Hospitals for the commissioning of 10 murals as part of the **Community Mural Project**.

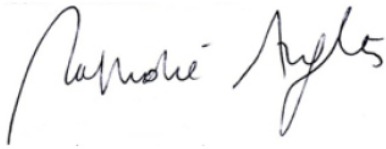

“The RU team works very hard to make sure you have a valuable experience tailored to the artist. They do a great job of bringing people together and creating community. I left this experience feeling very confident, empowered and of course inspired – ready to share what I had gained with my home art community. This was a transformative experience for me that I will cherish always.”

- Lindsey Whittle (2022 RU artist, Kentucky)

RU is a platform where artists’ voices from all over the world are heard and supported, where they can speak up, create and connect. Thank you for helping us achieve our \$30,000 goal. **Your donation** is 100% tax deductible, and will ensure continuity of our mission in 2023 to foster and give exposure to the most vibrant, diverse and integral artistic voices of our time.

With grateful thanks,

**Nathalie Anglès**  
**Executive Director**
