

Looking back on 2022, we realize how fortunate we are to have such a wonderful, supportive community of artists and friends. A huge thank you to everyone who engaged in our public programs and supported the residents. We are excited to move forward into 2023 and share many more experiences with you. Our mission at RU will always be to foster and give exposure to the most vibrant, diverse and integral artistic voices of our time.

Just a few days left before we move into 2023...if you wish to make donation you can do so [here!](#)
