

# RESIDENCY UNLIMITED

**Residency Unlimited** (RU) is a non-profit arts organization that supports the creative process of NYC, US based and international artists and curators at all stages of their career through its **unique, customized residencies** and year-round **public programs**.

Our growing global network consists of **850+ alumni**. In 2024 RU hosted residencies for 62 artists and 15 curators from 39 countries. Since RU's founding in 2009, collaboration and developing partnerships lie at the heart of our mission, to successfully leverage resources for residents and optimize their experience.

RU House at Governors Island

RU at 360 Court Street

RU is located at **360 Court Street** within the historic South Congregational Church in **Carroll Gardens**, Brooklyn. The building's architecture—with its high ceilings, stained glass windows—offers a unique setting that serves as a work and event hub.

The **RU House** on **Governors Island** offers studio space, workshop and exhibitions opportunities to the resident artists from May through October.

## NETWORK SUPPORT

A hallmark of the RU residency is connecting our residents with New York's vibrant art community through **weekly, individualized meetings** with **art professionals**. In 2024, we organized 630 studio visits/meetings through our **Guest Visitors Program**.

## PUBLIC PROGRAMS

Free and open to all, RU's public programs take place at the **Carroll Gardens** headquarters, as well as the RU House on **Governors Island** and **partnering venues** across the city. In 2024 we organized 52 public programs with 16 Exhibitions, 21 Talks, 10 Workshops and 5 Performances. All programs are documented online for further consultation.
